---

Above expectation. Taught some excellent principles which will add value in everyday work.  
**Research consultant, SQW**

Will definitely be recommending to some of my colleagues.  
**Legacy administrator, Cancer Research UK**

The tutor made the class very interactive. He explained his points very clearly and simply.  
**International MA student, Regents Business School**

Lots of work to achieve good results.  
**Resident involvement officer, Genesis Housing Group**

V good. Dynamic, interesting, challenging and intelligent.  
**Survey team manager, Capita Learning and Development**

I've learnt many new techniques and I now have the tools to actually articulate what works and what doesn't and why.  
**Scutiny team member, Greater London Authority**

A thoroughly enjoyable day, energised and interesting throughout.  
**Operations manager, Cancer Research UK**

Very informative and obviously passionate about the subject  
**Research consultant, SQW**

It's very helpful to actually know how to speak or write in a business presentation.  
**International MA student, Regents Business School**

I guess it's been a lesson in developing your critical faculty.  
**Scutiny team member, Greater London Authority**

The teacher was very good and professional. He explained the subject very well.  
**Events coordinator, Cancer Research UK**

Very good ó ideas plus practical applications.  
**Survey team member, Capita Learning and Development**

I liked Alan's style and thoroughly enjoyed both sessions.  
**Committee services team member, Greater London Authority**

Alan is very enthusiastic and there's lots exercises/interaction so the temptation to doze was minimal.  
**External relations team member, Greater London Authority**

Well delivered course, I feel more confident about minute-taking.  
**Committee administrator, Cancer Research UK**

Very good informal style, no pressure and made everyone at ease.  
**Research consultant, SQW**

Definitely one of the better writing courses I've been to.  
**External relations team member, Greater London Authority**

Liked the tutor and the course flowed well. Very useful.

Especially good knowledge and understanding of what our business requires.  
**Research consultant, SQW**

Enjoyed the course and will take a lot away with me. Thanks.  
**Property services manager, Cancer Research UK**

V good ó efficient and concise but not rushed.  
**Research consultant, SQW**

Very good. Before starting this course, I actually wondered about the value it would give me. My scepticism was disproved. I found the course both helpful and enjoyable. Thank you.  
**Survey team manager, Capita Learning and Development**

The day went very quickly and it's great to leave with a document part-done, which I can resume work on later in the week.  
**Research funding manager, Cancer Research UK**

I thoroughly enjoyed it!  
**Team co-ordinator, Genesis Housing Group**

Really enjoyed it and I am sure some ideas will get into practice.  
**Survey team member, Capita Learning and Development**

Good course. Great tutor. OK group.  
**IT project manager, HFC bank**

I found this course extremely helpful and it has covered areas I was previously unsure of.  
**Resident involvement officer, Genesis Housing Group**

Great course with good leader who listens and knows his stuff (and can adjust well to the group).  
**IC executive, McDonald's**

I thought it was excellent and generated enthusiasm and lots of good ideas.
